

Turn your tailor-made seminar into  
**a unique event...**

## Formation

a tailor-made  
solution for your  
company

## Sport

A large selection  
of "à la carte"  
activities,

## Nature

A preserved natural  
environment

A place suited for  
relaxation and  
thinking

Pleasure &  
discovery

By associating  
*head and legs* maximize  
your teams' performance,  
you will organize an extraordinary  
formation seminar for them.

**FormAction offers you an  
original formula designed  
with the company, for the  
company...**

# FormAction delivers a unique event designed with you

Choose an original path: act to learn, learn to act

- Because formation is efficient when it leads to action...
- Because team building is durable when it becomes team learning...
- Because learning is a global process mobilizing simultaneously the brain, the heart, and the body...

FormAction programs combine action time and thinking/training time.

- Knowledge acquisition time to develop people's competencies.
- Action in a natural environment as a tool for team building.

## COMPOSE YOUR PACKAGE, WE TAKE CARE OF THE REST...

### 1 POSITION YOUR FORMATION SESSIONS

Team management, leadership assertiveness, team building, change management, company culture/vision sharing...

#### Together:

We position your formation sessions in the event agenda.

#### You:

Manage the formation sessions content and animate them with your trainers.

#### We:

- Provide you with all the logistics (accommodation, audiovisual, logistics)
- Ensure the link with outdoor sports and leisure activities
- Can also offer trainers and coaches, experts in relational, team, change management, or company culture/vision sharing...

A unique offer, designed with the company to boost your formation program, targeting team building and motivation...

### 2 SELECT YOUR TEAMS' SPORTS ACTIVITIES

Action, games, sports, challenge, we offer a large selection of outdoor activities:

- Winter: trekking, downhill skiing, Nordic skiing, mushing, rackets...
- Summer: "accrobranche", mountain bike, summer sleds, archery, trampoline, paragliding, via ferrata, paintball, minigolf...

Getting employees to adopt the "sport attitude" in their day-to-day work in the company is developing the fair play, experience sharing, and team spirit, perfecting the development of an action plan, the definition of a consensual objective...

### 3 DISCOVER A REGION

Our services are delivered in places disconnected from everyday life, in a preserved natural environment, suited for relaxation and thinking. Enjoy a quality accommodation and a personalized service.

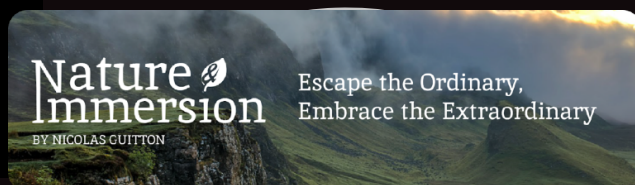

### 4 CHOOSE YOUR PLEASURE & DISCOVERY ACTIVITIES

Regional food specialties tasting, cultural sight seeing, discovering a region... enrich your tailor-made event.
